St. Michael Lacrosse Continues the Tradition

St Michael School is in its second full season of lacrosse. St Michael first fielded the Varsity and JV lacrosse teams during the 2007-2008 spring season. The boys' teams play a challenging schedule against private club teams, public schools, private schools, and the other Catholic schools in the area. The team practices or plays five days a week throughout its season. "Several of the 8<sup>th</sup> grade graduates our first lacrosse team made their high school Varsity and JV teams as freshman," Coach David Skowron reported.

In addition, seventh grader and returning lacrosse player Danny Geiger had this to say: "Our team only has a handful of 8th graders but has shown consistent improvement every practice. With only a few 8th graders and only 10 players coming back from last year's team, everyone has a chance to play and contribute at every game. We are still improving and we are making our name known in the league."

The St. Michael Varsity and JV Lacrosse teams participate in the Triangle Catholic Middle School Lacrosse League. The league holds a championship tournament at the end of the spring season.
