## Bi-Weekly Reading Log

Students are responsible for reading 4 hours (240 minutes) every two weeks. They may choose to split this up and read a little each day, or they may read a few hours at once. Reading material may be fictional or non-fictional, and this includes short stories, newspapers, magazines, or poetry. Reading to a younger sibling also counts! Parents, please sign this log to verify your child's accomplishment, and students will then turn this form in every other Wednesday to receive full homework credit. Points will be deducted if less than three hours are documented, but for every hour over the required amount, additional points may be awarded. Happy Reading, have fun, and good luck!
